Who would have dreamed a hashtag would transform journalism, empowering individuals to report the news in real time ' (Fox 2012) Since the globalisation of the internet, it has been widely discussed if those new technologies help advance the cause of democracy in the contemporary world. Over the past decades, the internet has evolved into more than just a place for people to meet, in many ways. There are two opposite views of the contribution of the internet to democracy. William H. Dutton, professor of Internet Studies at...
