Voted one of Goodreads Top #100 Middle Grade Must-Reads, this coming of age fantasy will charm you with it s modern take on the traditional fairy tale. Reader s Favorite, 5 star review: The Escape of Princess Madeline is not only an adventure story; it is also a thought provoking book which leaves the reader with many thought provoking lessons and moments. The underlying message is very subtle and the author s writing skill should be appreciated for that. An enthralling and magical fairy tale with lots of action and adventure. Mommy Booknerd, 5 star review: What a great story about a headstrong and spunky princess wanting to take charge of her own fate. This book reads so descriptively and has a fairy tale way about it. The characters are appropriate for it s target audience and the story is not only engaging but action packed as well. Mother Daughter Book Reviews, 5 star review: The Escape of Princess Madeline has a little bit of everything: a strong female protagonist, teenage rebellion, young adolescent love, drama and suspense, and a touch of magic. Kirstin Pulioff did a great job creating a sympathetic character in Princess Madeline whom older tween and teen girls can root for and an adventure filled with danger.
