Penguin. 1 Paperback(s), 2015. soft. Book Condition: New. "She saw her life as something that was scattered untidily about, without a pattern, without rhyme or reason," writes William Trevor in this 1973 novel. Elizabeth Aidallbery has lost her husband, her lover, and most crucially, her sense of self. Returning from the hospital after a serious operation, she recuperates while fearing who or what she might lose nextpossibly Joanna, the eldest of her three daughters, who leaves home to settle in a hippie commune, or Henry, Elizabeth's childhood sweetheart, who seems unable to settle into the adult world. And of course there is Elizabeth herself, who must decide what kind of life she will have next. A three-time winner of the Whitbread Award and four-time winner of the O. Henry Prize, as well as a four-time finalist for the Man Booker Prize and the winner of several lifetime achievement awards, Trevor is celebrated as a novelist, playwright, and master of the short story, "one of the elder statesman of the Irish literary world" (Guardian, London). "A finely observed comedy, delightful to read, like lived experience to remember."Telegraph (London) 314.
