It s August in New York, and the only thing that s hotter than the pavement is Manhattan D.A. Alex Cooper s personal and professional life. Just as she s claiming an especially gratifying victory in a rape case, she gets the call: the body of a young woman has been found in an abandoned building. The brutality of the murder is disturbing enough, but when a second body is found in Brooklyn, beaten and disposed of in the exact same manner, the city s top brass want the killer found fast. Relying on razor sharp instincts, a whip-smart partner, and one big break Alex races to find the killer and keep him from killing again, even if it s at her own peril.
