Wachtel, has the power to uplift and inspire as it provides us with a window into our situation and purpose in life in enjoyable narrative form. We are all capable of being slaves to our own thoughts and feelings, or of using these tools to sculpt our lives and the world around us at will. With its poignant psychological, philosophical, and spiritual insights, Freedom: An Inspiring And Transformative Story Of Self-Discovery guides you toward true freedom, true fulfillment, true happiness and empowerment. Nearly everyone who has read Freedom has reported intriguing, lasting, positive effects. A general positive and empowered attitude infuses the reader s experience of the world and spills over into the reader s life....
