Having lived with the Mayans and learned their language, Prechtel authoritatively retells the powerful tale of the Tall Girl who weaves the world in a loom, her parents the Sun and the Moon who repudiate her suitors, and the mysterious man who disguises himself as a hummingbird to lure her away. Prechtel expands this archetypal story with five layers of commentary, each teasing out a different wisdom and revealing its relevance to the world today. This item ships from multiple locations.
