Brand New Book ***** Print on Demand *****.Rambling Man is a collection of original poetry in a unique style of wordful chaos, where lines tend to not follow the subject and yet each word paints a picture worth 1000 words, a verse escapes itself and the end is clearly intact. Confusing? to say the least and yet insightful in ways unimagined! Every read is an adventure all its own. . . following thoughts, roller-skating in heards, tripping lights fantastic or dark s consuming flow, where ever the thought may go, spirited free . This style of poetry never did come natural to me. One could say if it was a club, it was beaten upon my head until it took. It was painstaking, difficult for me to see direction, and I was forever losing my path.one faithful day I found a poetry site online and amazed myself by so many wonderful writers, so many wonderful ways to write! The one that caught my eye, and much more of me, was this argument going on with one s self about itself in the 3rd person in scrambled words that made absolutely no sense until the closing lines drawing all the lines tightly bound into my very first true ramble and a lover I have been since.
