Destiny Earth (Paperback)

By Tony Mazzarella

Createspace, United States, 2014. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Will O Neil has a dream: to find a new home for humanity among the stars, with room for everyone. With a rising population, dwindling resources, and an ever-widening gap between the wealthy elite and the masses, O Neil s vision is more than a flight of fancy. It s a desperate necessity. O Neil s unmanned rovers find just such a planet. With abundant plant life, a breathable atmosphere, and a wealth of water, the lush world seems perfect for colonization. Only when monstrous life forms attack a spacecraft does O Neil realize how dangerous the new world is. He abandons his dream in despair, unaware powerful figures lust after the primeval planet s rich resources. Out in space, Commander James Devon helms the Victory, a deep space exploratory vessel. He has a simple but vital mission: locate potential planet-busting asteroids. To his horror, he finds one on a direct course with humanity s vulnerable planet. Racing home, his radio warnings to government officials seem to fall on deaf ears. Only when he contacts his old nemesis...
