Reviews

Thorough guideline! Its this type of good read. It is really simplistic but shocks from the 50 percent from the publication. It is extremely difficult to leave it before concluding, once you begin to read the book.

Associated Board of the Royal Schools of Music, United Kingdom, 1990. Sheet music. Book Condition: New. 305 x 229 mm. Language: English . Brand New Book. First published over seventy years ago, this imaginative series of studies is as useful and relevant now as it ever has been. Each volume has studies composed by well known and lesser known composers and is carefully graded to offer a variety of keys, time signatures, textures and tempi, whilst each study is given a title which tells the student exactly what it is trying to achieve. These books provide invaluable practice material for the building of technique and are also enjoyable to play in their own right.
