Manor House Publishing Inc, Canada, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book. Susan Crossman shares personal true-life inspiring and enlightening experiences of epiphany - that moment of absolute clarity, realization and understanding. Also included are a few fictional stories by Crossman that also carry messages of epiphany. A very insightful and enlightening book that will help readers gain a better appreciation and understanding of themselves and the world around them. An absolutely superb read - highly recommended. - Michael B Davie, author, Winning Ways Susan Crossman has that innate ability to communicate far beyond words on paper. I felt that newly found freedom was handed to me over and over again as I turned the pages of Susan s book. I m in awe of her innate ability to bring readers to the brink of pure potential, and then walk us right through the door. - From the Foreword by Jennifer Hough, author, Awakenings I put together this collection of stories as an exploration of spirit and discovery and it s been an interesting journey to say the least. I ve included short fictional stories about people I ve never met with personal accounts of the path I myself have tread over the past few years. some of the real-world journeys of the spirit I ve taken...
