Paperback. Book Condition: New. Not Signed; Princess Sophia was only a child when Napoleon conquered the island paradise ruled by her father. Raised in England and now twenty-one, she means to claim the throne that is rightfully hers and bring peace to her war-torn land. But an ambush by enemies forces Sophia into hiding outside London. Disguising herself as a peasant girl until she can safely return, she meets Major Gabriel Knight, a wounded warrior whose brush with death has utterly changed him. Heir to a great fortune, and a master swordsman, Gabriel has given up his worldly possessions and laid down his arms. Sophia is fascinated by his brooding magnetism, and Gabriel, lured by her fiery beauty and healed by her touch, is drawn back inexorably toward the world of the living. But when Sophia's royal destiny is revealed, Gabriel knows he must take up his sword again, whatever the cost, to protect his princess from those who would destroy her. And as longing blossoms into passion, Gabriel discovers the one cause that is truly worth fighting for. book.
