Brand New Book ***** Print on Demand *****.An excerpt of a review from The Cambrian, Vol. 25: Brentano s announce the publication of A Woman of the Ice Age, by L. P. Gratacap, which is a story in a new field of romantic invention. It carries its readers back to the Ice Age, the Mastodon, its predatory enemy, the sabre-toothed tiger, and to a still-lingering representative of the great Sloths, in the Pleistocene Age of North America. The scene is laid in the far West of our continent, on the edges of the Pacific Ocean, in a region whose contrasted and interblending features include the Ice Cap to the north, a morainal land south of it, an area of sub-tropical beauty still further south, and the developed Canon areas to the east. The book after an opening chapter of necessary local description tells of the Woman s drifting northward to the great Ice Cap; then follows the introduction of Ogga, the mastodon hunter and his adventures. Ogga and the Woman meet, and escape together from a seismic convulsion; they encounter the aboriginal horses whose presence...
