River Sanctuary Publishing, United States, 2012. Paperback. Book Condition: New. 203 x 133 mm. Language: English . Brand New Book ***** Print on Demand *****.Are you ready to begin your quintessential trek? You have opted to begin a journey of self-realization and have chosen to express your spirituality through love, connection with your source, and a devotion to the soul. There s Only One of Us Here is a primer, opening the way for aspiring Lightseekers - those who have elected to follow a path to enlightenment. The cognizance that we are spiritual beings temporarily residing in a physical body is a tremendous revelation. That single awareness transforms the entire understanding of oneself and offers obvious clues as to why we are here. Each new incarnation is an opportunity for us to repair our separation - that which has kept us pacing on the great treadmill, the eternal circle of birth and rebirth, longing to return to our true self, to merge with God. David DiPietro Weiss, co-founder of River Sanctuary Publishing, has studied, practiced and written in many genres of spiritual knowledge. His provocative essays and literary ventures into human spirituality have fascinated and challenged all to form a spirit contract with one s soul. Such titles as A Contract with the Soul, and Spiritual Tectonics, have opened new vistas in the pursuit of one s spiritual quests. His career in mindful education, as demonstrated in over 30 years of public education, has led hundreds of students of all ages to connect with their spiritual source.
