Lean Manufacturing That Works: Powerful Tools for Dramatically Reducing Waste and Maximizing Profits (Paperback)

By Bill Carreira

AMACOM/American Management Association, United States, 2004. Paperback. Book Condition: New. 226 x 150 mm. Language: English . Brand New Book ***** Print on Demand *****. Is there one factor that allows some manufacturing companies to succeed while others fail? With production a level playing field, with anyone able to purchase the same equipment and facilities, hire and train the same qualified people, and purchase the same raw materials required to make a product--why is it that some companies are consistently more competitive? The simple answer lies in manufacturing technique: how you manage and balance people, materials, and machines. And if your manufacturing organization is slow and inefficient, it s time to slim down. Lean manufacturing allows manufacturers to reduce waste and maximize profits by adopting a philosophy of operation that considers value from the perspective of the customer. Far from a dry explanation of theory that simply looks good on paper, Lean Manufacturing That Works brings all the principles of lean manufacturing to where they re needed most: the shop floor. Engagingly written and easy to put to work, the book is specifically aimed at the people whose daily work involves the manufacturing floor, and it features essential tools that...
