Brand New Book ***** Print on Demand *****.Culinary herb gardener Ada Blaine lost her beloved husband at a tender age. To survive the devastating loss, Ada channeled a family tradition into a successful business. Former Marine Rich McConnell left behind a nasty divorce and traded a promising military career for a hardware store with no complications. The game changed when Ada showed up at a mutual friend s Christmas Eve bash looking drop dead gorgeous. Rich can t keep his hands off the elusive gardener, and his subtle charm weakens the wall around Ada s heart. Then a sniper s bullet shatters a quiet spring morning -- along with Rich s illusion of second chance love with Ada -- and he fears his covert past has caught up with him. Their sweet, touching passion and determination join forces, creating a story of late in life love amidst spine tingling life threatening danger.
