During arguments, he acts like he s being attacked and tries to prove he s right with the the facts? When she s upset, he accuses her of over-reacting; when he s upset, he insists that nothing is wrong? Don t give up. Men, Women, and the Power of Empathy breaks this painful stalemate. It helps you and your partner gain understanding and practical strategies to fully tap the benefits of an empathic connection. Working together, you will learn to let go of being right ; avoid having to fix it ; express clean anger; know more of what you feel; and care for your relationship as a separate entity. Yes, men have difficulty grasping the entirety of empathy. When you both understand and respect his hidden vulnerabilities, what threatens and shames him, behind his defensive mask, you will find he can lower his guard and reveal the empathic person he is capable of being. As he does, you will experience more of the closeness you crave, bringing a powerful, lasting change to your relationship.
