Mutant technologies are the machines that you see out of the corner of your eye when you should be concentrating on not running over your foot with the lawnubot you can t quite seem to programme correctly to cut the grass to the specifications laid down by your local Glass Blown Homeowners Association. Mutant Technologies are machines that give you advice on how to liven up your loveless marriage when all you asked them for was a cup of tea. Mutant Technologies laugh in the face of human expectations, adding a layer of randomness to our scheduled to within an inch of our death lives. Mutant technologies are today s technologies, tomorrow. Join various Alternate Reality News Service reporters, commentators and wannabes as they explore this new world in The Street Finds Its Own Uses for Mutant Technologies. In this volume, killing people with guns made by 3-D printers then melting them down and using the materials to create sculptures becomes an art movement. A satirical Web site s reputation is questioned...
