Brand New Book ***** Print on Demand *****.Gettysburg: a turning point in the Civil War. It was here that the Confederate High Tide failed to brim over the Union defenders. Many historical accounts have been written about the Battle of Gettysburg and the Civil War detailing the technical and humanistic aspects of the soldiers and their leaders. In If the South Won Gettysburg author Mark Nesbitt makes a dramatic hypothetical examination of precisely that theory: What if the South won at Gettysburg as a result of a change in the South s battle tactics ? What would have been the fate of this great nation? From key moments at the Battle of Gettysburg and throughout the rest of the war, and beyond, Nesbitt makes a bold speculation on the ways in which the end results could have differed had the South been successful at Gettysburg.
