Brand New Book ***** Print on Demand *****.Excerpt from A System for Case-Taking: With Explanatory Notes We have long felt in the Department of Medicine in the University of Toronto, that a guide to ease-taking would be of material service to our students. I have carefully gone over this method of Doctor Ross and Doctor Loudon, and thoroughly approve of it. I feel that it will help us in this important branch of medical training, and trust that others will also find it of service.
