Shell Education Pub, United States, 2015. Paperback. Book Condition: New. 277 x 213 mm. Language: English . Brand New Book. 180 Days of Writing is an easy-to-use resource that provides sixth-grade students with practice in writing argument, informative/explanatory, and narrative pieces while also strengthening their language and grammar skills. Centered on high-interest themes, each two-week unit is aligned to one writing standard. Students will interact with mentor texts during the first week and then apply their learning the next week by practicing the steps of the writing process: prewriting, drafting, revising, editing, and publishing. Daily practice pages make activities easy to prepare and implement as part of a classroom morning routine, at the beginning of each writing lesson, or as homework. Genre-specific rubrics and data-analysis tools provide authentic assessments that help teachers differentiate instruction. Develop enthusiastic and efficient writers through these standards-based activities correlated to the Common Core and other state standards.
