Createspace Independent Publishing Platform, United States, 2011. Paperback. Book Condition: New. 279 x 216 mm. Language: English . Brand New Book ***** Print on Demand *****.The Problem - many excellent students spend hundreds of hours filling out college and university scholarship application forms on paper or on the Web, only to discover that they qualify for just a small fraction of the money that they need for college. In comparison with the full cost of a college education, the merit scholarship dollars that you can expect to win will be relatively few. Consider this in the context of having to finance a college education that can easily exceed $30,000 per year (with tuition, books, and living expenses) and the problem becomes very real. The Solution - for the patriotic American, and students in countries that have an alliance partnership with the United States, the solution lies in having a strong desire to attend one of the five U.S. Service Academies. These top schools offer successful candidates the opportunity to accept a full ride merit scholarship that has been conservatively valued at more than $400,000.00 US dollars (over four years). To do this you will need the assistance of a knowledgeable guide. This roadmap provides the way ahead. A Complete Solution - there is little doubt about the value of an opportunity to attend a world class college that offers: A superior undergraduate education with a broad choice of academic majors, A small monthly paycheck that covers minor expenses (and some major ones, too), A program that will help you build your leadership skills and professional character, An exceptional intercollegiate and intramural athletic program (for undergraduates), Spiritual and moral development for students of every faith group, An opportunity for the patriotic young woman or man to serve their Country, and A...
