INTRODUCTION: When viewed from the national standpoint of the inestimable benefit of binding the Empire together in permanent union, no political subject is probably of greater and more supreme importance, and of wider interest to the whole British people, than the one which has received the comprehensive and expressive designation of Imperial Federation. To the inquiry of what it is, I reply by answering in a sentence that it is the government of the Empire by the Empire for the Empire. Many of the earliest books, particularly those dating back to the 1900 s and before, are now extremely scarce and increasingly expensive. We are republishing these classic works in affordable, high quality, modern editions, using the original text and artwork.
