Quebec 1759: The Battle That Won Canada

By Stuart Reid, Gerry Embleton

Osprey Publishing. Paperback. Book Condition: new. BRAND NEW, Quebec 1759: The Battle That Won Canada, Stuart Reid, Gerry Embleton, 'What a scene!' wrote Horace Walpole. 'An army in the night dragging itself up a precipice by stumps of trees to assault a town and attack an enemy strongly entrenched and double in numbers!' It was indeed a drama, as Major-General James Wolfe's army scaled the cliffs above St. Lawrence to stand with the French Canadian capital before them; and in one short sharp exchange of fire, tumble the Marquis de Montcalm's French army into bloody ruin. Sir John Fortescue famously described it as the 'most perfect volley ever fired on a battlefield', and this book explores how in just a few hectic minutes, one of the British Army's most consummate professionals decided the fate of a continent.

Reviews

Completely among the best pdf I actually have possibly read through. It is probably the most awesome pdf we have read. You wont really feel monotony at whenever you want of your time (that's what catalogs are for about in the event you ask me).
