Reviews

Complete information for publication fans. Better then never, though i am quite late in start reading this one. Its been written in an extremely straightforward way in fact it is just soon after i finished reading this ebook in which basically altered me, change the way i believe.
(Ellie Stark)

TOMORROW'S LAWYERS

DOWNLOAD

Oxford University Press, 2013. Soft cover. Book Condition: New. In his newest provocative and forward-looking volume on the legal profession, Richard Susskind-the best-selling author of The End of Lawyers? and The Future of Law-predicts fundamental and irreversible changes in the world of law. What Susskind sees is eye-opening-a legal world of virtual courts, Internet-based global legal businesses, online document production, commoditized service, legal process outsourcing, and web-based simulated practice. Legal markets will be liberalized, with new jobs for lawyers and new employers too. Tomorrow's Lawyers is a definitive guide to this future--for young and aspiring lawyers, and for all who want to modernize our legal and justice systems. It introduces the new legal landscape and offers practical guidance for those who intend to build careers and businesses in law. Susskind identifies the key drivers of change, such as the economic downturn, and considers how these will shape the legal marketplace. He then sketches out the new legal landscape as he envisions it, highlighting the changing role of law firms-and in-house lawyers-and the coming of virtual hearings and online dispute resolution. He also suggests solutions to major concerns within the legal profession, such as diminishing public funding, and explores alternative roles for future lawyers in a world increasingly dominated by It. And what are the prospects for aspiring lawyers? Susskind predicts what new jobs and new employers there will be, equipping prospective lawyers with penetrating questions to put to their current and future bosses. Tomorrow's Lawyers is an essential roadmap to the future of law for those who want to survive the rapidly changing legal landscape.
