Paperback. Book Condition: New. Paperback. 76 pages. UFO Ride Austin woke up from a deep sleep to find himself sitting in a soft reclining chair. There was one robot on each side looking at him. Somehow he knew who they were and felt comforted to see them. You are Fiza and your partner is Koom. How do I know you questioned Austin in his mind without speaking. Your brain and body have been conditioned. I heard Koom say I have been conditioned, but there was no sound. We are communicating with your electrochemical organ, you call brain, at the speed of light with beta waves. While in active conversation or debating you are thinking in beta waves. We have programmed you to think with your four brainwaves, ranging from the most active to the least active, the same way we do. Austin and the two robots save the world from Lykon alien domination.
