FLODDEN: A SCOTTISH TRAGEDY

DOWNLOAD PDF

Birlinn Ltd. 1 Paperback(s), 2003. soft. Book Condition: New. In Scottish history there is no more poignant moment than the Battle of Flodden, fought just south of the Tweed River on September 9, 1513. Before Flodden, Scotland under James IV was emerging as a distinct and flourishing nation within Europe; after their stunning defeat, Scotland's eventual Reformation and union with England was virtually inevitable. Worse, it was a largely unnecessary encounter that was lost despite Scotland's superior numbers and arms, and left the country weak, exposed, and leaderless. Scottish military historian Peter Reese explores the political, military and historical background to the conflict and examines the two armies, their leaders, and their tactical moves before and during the battle. 208.
