By Willard W Glazier

Createspace, United States, 2014. Paperback. Book Condition: New. 279 x 216 mm. Language: English . Brand New Book ***** Print on Demand *****.From earliest boyhood it had been my earnest desire to see and learn from personal observation all that was possible of the wonderful land of my birth. Passing from the schoolroom to the War of the Rebellion and thence back to the employments of peace, the old longing to make a series of journeys over the American Continent again took possession of me and was the controlling incentive of all my ambitions and struggles for many years. To see New England-the home of my ancestors; to visit the Middle and Western States; to look upon the majestic Mississippi; to cross the Great Plains; to scale the mountains and to look through the Golden Gate upon the far-off Pacific were among the cherished desires through which my fancy wandered before leaving the Old Home and village school in Northern New York.
