Brand New Book ***** Print on Demand *****.*** Warning do not read this unless you have read Book One *** This second book is set in the World War Three 1946 universe. A universe where Stalin Learns of Operation Unthinkable, Churchill s ill-conceived plan to invade the USSR. He strikes first and attacks the West when it is at its weakest point and the Red Army is at its strongest. In Book Two we continue to explore one of the greatest what ifs in history. Who would have prevailed the Red Army or the forces of the Free World in an all out war, after the defeat of the Axis powers? As Book One World War Three 1946 - The Red Tide - Stalin Strikes First ends, we find the Red Army has smash the feeble western armies in Germany and then France. America s atomic scientists have been incapacitated by a dirty bomb containing polonium, smuggled in and detonated by a real NKVD spy George Koval. Who in our reality had access to the world s only supply of the deadliest substance on earth,...
