FABER FABER, United Kingdom, 2005. Paperback. Book Condition: New. 214 x 132 mm. Language: English . Brand New Book. In Fall we see the tentative beginnings of an unlikely romance - between a schoolteacher and a wealthy, drifting former graduate. In Winter we hear the story of her colleague, whose brief fling produced, as he now learns, seventeen years too late, a daughter. Then the daughter s best friend, her love affair with a teacher and the story of her dying father take us through Spring and Summer. This is a moving and elegiac picture of people whose lives are inextricably linked by circumstance, community and a need to be loved. Touched by wry humour, its achievement is to capture Manhattan in microcosm through a series of remarkable, moving and tender portraits.
