# RE-ENGINEERING LEGACY SOFTWARE

Manning Publications. Paperback. Book Condition: new. BRAND NEW, Re-Engineering Legacy Software, Chris Birchall, DESCRIPTION Most developers inherit projects built on an existing codebase that reflect design patterns, usage assumptions, infrastructure, and tooling from another time and another team. (And the docs are complete rubbish.) Fortunately, there are techniques that can breathe new life into legacy projects, allowing them to be maintained, improved, and scaled without having to constantly fight their current limitations. Stronger applications can be developed by injecting new...

### Reviews

*A must buy book if you need to adding benefit. I actually have read through and so i am certain that i will likely to read through once again once again down the road. I am just quickly could possibly get a delight of looking at a created ebook.*

-- ***Jayme Beier***

*This publication might be well worth a study, and much better than other. It is among the most awesome book i have got study. You may like the way the article writer publish this publication.*

-- ***Dr. Paige Bartell***
