Createspace, United States, 2013. Paperback. Book Condition: New. 279 x 216 mm. Language: English . Brand New Book ***** Print on Demand *****.ATTP 3-39.20 is the manual for police intelligence operations (PIO) doctrine. ATTP 3-39.20 aligns with Field Manual (FM) 3-39, the Military Police Corps Regiment s keystone manual, and other Army and joint doctrine. Simultaneous operations that combine offensive, defensive, and stability or civil support operations are emphasized. PIO is a military police function that supports the operations process and protection activities by providing exceptional police information and intelligence to enhance situational understanding, protection of the force, and homeland security (HLS). This manual is written for military police and United States Criminal Investigation Command (USACIDC) Soldiers and civilians conducting the PIO function. This manual is focused on establishing the framework of PIO, how PIO supports military police and Army operations, and how to integrate PIO within the other four military police functions: law and order (LO), internment and resettlement (I/R), maneuver and mobility support (MMS), and area security (AS). The manual is organized into six chapters with three appendixes to provide additional details on selected operational topics. The first three chapters describe PIO aspects of the OE and the integration of police intelligence in military police functions and operations. The remaining chapters discuss sources of police information, analysis, production, and dissemination of police information and police intelligence. Chapter 1 describes the OE, with particular focus on the nature and scope of modern conflict as well as important variables of the OE as described in FM 3-39 and other doctrine. The discussion is not a repeat of the information in previous manuals but, rather, it is focused specifically on those aspects of the OE that generate requirements for PIO. The chapter also defines and establishes the framework for PIO and...
