Reviews

A brand new e book with an all new point of view. I have got read and i am sure that i am going to likely to read through once more once more in the future. It is extremely difficult to leave it before concluding, once you begin to read the book.

Taylor Francis Ltd, United Kingdom, 2012. Paperback. Book Condition: New. 2nd Revised edition. 244 x 188 mm. Language: English . Brand New Book. Enlivening Secondary History is the ideal handbook for busy history teachers who want to do something different in their classrooms, but have little time to plan and organise their lessons. Featuring tried-and-tested practical ideas complete with relevant exemplars and step-by-step advice, this best-selling book is a compendium of creative activities to enhance your lessons. For the 11-19 age range, each activity includes links to important topics including the Crusades, the Reformation, the world wars, the Russian Revolution and many more. All the ideas are explained in a clear, user-friendly style, with a breakdown of the time and resources needed for each one. Featuring a brand new expanded section about teaching history through role play, this book also covers: * Visuals - picturing the past * Numerical data - adding interest * Concepts - making them real * Primary texts - bringing them alive. Written by practitioners for practitioners, Enlivening Secondary History helps teachers to bring history alive in an imaginative way. It will be an indispensible guide for both experienced and student teachers.
