Morris Dubose, United States, 2013. Paperback. Book Condition: New. 203 x 133 mm. Language: English . Brand New Book ***** Print on Demand *****.Romance is weird, and confusing, and awesome, and horrible, and inspiring, and exhausting. It s chaotic. and chaos can be informative and hilarious. With an encyclopedia and a small Christian School as his launch points of Sex Ed, Morris got off to a late and confused start in his quest for romantic identity. And, that s great news for you. His resultant mistakes are both amusing and somewhat educational. To be perfectly honest, I was predisposed to kiss dating goodbye. I was an opinionated, conservative, well-read, reasonably well- spoken, evangelical, ex-homeschooled kid in junior high school; which meant I knew everything. Experience was a merciless teacher, but I learned my lessons well. If you feel like avoiding my mistakes. or laughing at them, then enjoy Romancing the Hilarity.
