The god of the sea, weary of banishment from the heavenly plains, would fain have gone to his mother beneath the earth. The efficacy of the Sacred Jewel consisted in holding back the believer from the road to the region of the dead. But this under-world was not connected with any idea of merciless tortures inflicted on the damned through endless ages. It was simply the place of darkness--the moon, according to some, the depths of the ocean according to others. The finite was not followed by an infinite aftermath of misery. The worship of the beloved and revered dead precluded all idea of their condemnation to everlasting torment, just as it necessarily included the conception of the souls immortality. Rituals were not read or offerings piled up to victims of annihilation. Those who passed the portals still lived, a larger,...
