Mission and Vision statements - are they worth it?

By Nils-Carlsson Reineke

Grin Verlag Gmbh Okt 2013, 2013. Taschenbuch. Book Condition: Neu. 210x148x1 mm. This item is printed on demand - Print on Demand Titel. Neuware - Seminar paper from the year 2012 in the subject Business economics - Business Management, Corporate Governance, grade: 1,0, University of Glamorgan (Faculty of Business & Society), course: Strategic Management Accounting and Performance Measurement, language: English, abstract: The following report discusses the concepts of mission and vision statements and their value for a company that decides to introduce them. The concepts of both mission and vision are discussed in chapter two. The third chapter then takes on arguments that a company may offer to validate the introduction or existence of such a statement. Proceeding, the fourth chapter examines reasons for mission and vision statements to be an impairing concept for a company. Chapter five concludes if mission and vision are worth it and stand as guidance found in a company statement or if the risk they entail outweighs their theoretical benefits. 16 pp. Englisch.
