THE ETHICS OF INFORMATION

Oxford University Press. Paperback. Book Condition: new. BRAND NEW, The Ethics of Information, Luciano Floridi, Luciano Floridi develops an original ethical framework for dealing with the new challenges posed by Information and Communication Technologies (ICTs). ICTs have profoundly changed many aspects of life, including the nature of entertainment, work, communication, education, health care, industrial production and business, social relations, and conflicts. They have had a radical and widespread impact on our moral lives and on contemporary ethical debates. Privacy, ownership,...
