The Secret of the Druids: Book 2 of the Mahabharata Quest Series

By Christopher C.Doyle

Westland, New Delhi, 2016. Soft cover. Book Condition: New. 22 cms. x+239pp. This ground-breaking book chronicles the 1971 war in South Asia by reconstituting the memories of those on opposing sides of the conflict. 1971 was marked by a bitter civil war within Pakistan and war between India and Pakistan, backed respectively by the Soviet Union and the United States. It was fought over the territory of East Pakistan, which seceded to become Bangladesh. Through a detailed investigation of events on the ground, Sarmila Bose contextualizes and humanizes the war while analyzing what the events reveal about the nature of the conflict itself. Through interviews conducted in Bangladesh and Pakistan, published and unpublished reminiscences in Bengali and English of participants on all sides, official documents, foreign media reports and other sources, this book challenges assumptions about the nature of the conflict, and exposes the ways in which the 1971 war is still playing out in the region.

Reviews

This is the very best publication we have read through right up until now. It is one of the most incredible book we have read through. Once you begin to read the book, it is extremely difficult to leave it before concluding.
